### PROTEC 94928

PC protection goggles designed to use with your everyday glasses. Its frame is one-size-fits-all, comfortable and easy to adjust. The lenses and the side protection make this personal protective gear resistant against low energy impacts (mechanical resistance to an impact of 45m/s), sneezing, dust and scratches due to ultraviolet radiation. The lenses contain a deformation-free field of view and a special surface treatment that prevents fogging when used. It is recommended to wash them after each use; do not use alcohol.
